Tour itinerary:

Something that goes hand in hand with our love for good food & wine is our passion for people and the environment. We endeavour to make responsible choices when creating itineraries for guests and are mindful of where we eat and who we support. This Sustainable Wine Tour was crafted for those like-minded guests who take responsible traveling seriously.

During this one-day tour we will visit three farms that practice sustainable farming methods or are involved in social equity or environmental conservation programs. Things we look for when selecting wineries:

- Fairtrade farms
- Biodynamic or organic farming
- BWI – Biodiversity & Wine Initiative
- Farms with social equity or conservation initiatives
- Diverse winemakers – women or people of colour

This is a unique wine experience that is bookable on request. We will curate each Sustainable Winelands Tour from our preferred list of suppliers, such as: [Reyneke Wines](#); [Avondale Wines](#); [Bosman Family Wines](#); [Vergelegen](#); [Painted Wolf Wines](#); [Waterkloof](#); or [Villiera Wines](#).
